CODE OF CIVIL PROCEDURE

Section 685.040

685.040. The judgment creditor is entitled to the reasonable and necessary costs of enforcing a judgment. Attorney's fees incurred in enforcing a judgment are not included in costs collectible under this title unless otherwise provided by law. Attorney's fees incurred in enforcing a judgment are included as costs collectible under this title if the underlying judgment includes an award of attorney's fees to the judgment creditor pursuant to subparagraph (A) of paragraph (10) of subdivision (a) of Section 1033.5.

(Amended by Stats. 1992, Ch. 1348, Sec. 3. Effective January 1, 1993.)

State of California

CODE OF CIVIL PROCEDURE

Section 685.070

685.070. (a) The judgment creditor may claim under this section the following costs of enforcing a judgment:

(1) Statutory fees for preparing and issuing, and recording and indexing, an abstract of judgment or a certified copy of a judgment.

(2) Statutory fees for filing a notice of judgment lien on personal property.

(3) Statutory fees for issuing a writ for the enforcement of the judgment to the extent that the fees are not satisfied pursuant to Section 685.050.

(4) Statutory costs of the levying officer for performing the duties under a writ to the extent that the costs are not satisfied pursuant to Section 685.050 and the statutory fee of the levying officer for performing the duties under the Wage Garnishment Law to the extent that the fee has not been satisfied pursuant to the wage garnishment.

(5) Costs incurred in connection with any proceeding under Chapter 6 (commencing with Section 708.010) of Division 2 that have been approved as to amount, reasonableness, and necessity by the judge or referee conducting the proceeding.

(6) Attorney's fees, if allowed by Section 685.040.

(b) Before the judgment is fully satisfied but not later than two years after the costs have been incurred, the judgment creditor claiming costs under this section shall file a memorandum of costs with the court clerk and serve a copy on the judgment debtor. Service shall be made personally or by mail. The memorandum of costs shall be executed under oath by a person who has knowledge of the facts and shall state that to the person's best knowledge and belief the costs are correct, are reasonable and necessary, and have not been satisfied.

(c) Within 10 days after the memorandum of costs is served on the judgment debtor, the judgment debtor may apply to the court on noticed motion to have the costs taxed by the court. The notice of motion shall be served on the judgment creditor. Service shall be made personally or by mail. The court shall make an order allowing or disallowing the costs to the extent justified under the circumstances of the case.

(d) If no motion to tax costs is made within the time provided in subdivision (c), the costs claimed in the memorandum are allowed.

(e) If a memorandum of costs for the costs specified in subdivision (a) is filed at the same time as an application for a writ of execution, these statutory costs not already allowed by the court in an amount not to exceed one hundred dollars (\$100) in the aggregate may be included in the amount specified in the writ of execution, subject to subsequent disallowance as ordered by the court pursuant to a motion to tax if filed by the debtor. The memorandum of costs shall contain the following statement: "The fees sought under this memorandum may be disallowed by a court upon a motion to

tax filed by the debtor notwithstanding the fees having been included in the writ of execution.” The inclusion of the above costs in the writ of execution or the pendency of the motion to tax on these costs shall not be cause for the clerk of the court to delay issuing the writ of execution or for the levying officer to delay enforcing the writ of execution.

(f) Section 1013, extending the time within which a right may be exercised or an act may be done, applies to this section.

(Amended by Stats. 1996, Ch. 60, Sec. 2. Effective January 1, 1997.)
